President's Message

Well March ended up pretty darn wet. After 2 cancelled dates in March the Safety Inspection was moved to April 9th. I hope this clears soon; I need to get out in my T.

I'm really kind of stuck on this President's Message because not much has gone on this month. I have got some stuff done on the Speedster and the brakes on the roadster are done. Dad has been working on his speedster engine and we hope to see #50 terrorizing the roads this summer.

Be sure and get your good saleable Items to the Newlins early in April so the garage sale can be successful again this year. I hope we get a lot of participation as Bill and Fern put a lot of effort into this.

That's about it for this month, hopefully the Sun will come out and I will be more inspired come May.

Andy

We made our reservations for the Summerfields are working hard firm-planned for the Redwood Empire Model T Club. Be sure you get your room reserved and mark your calendar. The flyer is on Page 7 with all the info. More details on the tour routes will follow soon.

Spectacular Summer Solvang Tour. The Clary's and the ing up the details so we can have a great summer tour all

The big Garage Sale at the Newlin's is the first event in May so be sure to gather some really good items and get them to the Newlins in plenty of time for Fern to price and sort. Ask if you can help. This is to benefit the Club and there is plenty to do to make this sale successful.

Pete will finally hold his "Under the Hood" day on May 14th..The rains postponed this event also which gave Pete and Chris time to work on the TT truck and get it ready to tour. Pete hasn't had much time for "Lilly", our 1912 Touring so looks like some brass polishing is in order.

Also coming up in May is the Brass on the Grass event which is a fun event that many of us attended last year. The organizers are working hard on getting the advertising out early and in the newspapers for a better public turnout.

June 4th is the Forestville Parade and this year's theme is "Flower Power". We won 1st place last year for Best of Parade Group . The route is short and after a quick tour around the river, coming back for Forestville's wonderful barbeque in the Youth Park is still the best steaks and chicken meal anywhere. Put some flowers on "Lizzie" and join the fun.

So....as you can see, we have a fun touring season with these starting events and stay tuned for more to come. Ginny & Pete

If you would like to submit an article or story for the newsletter, please submit before the 20th of the month before the newsletter is printed on the last day of the month. Must be Model T related and preferrably not more than a half page .

“I want to dress in vintage but I can't find anything to wear”

Maybe these midly blouses from the Sears Catalogue will give you some ideas. They are easy to make and paired with a pleated skirt or knickers, they are great for touring. Check the prices of 1922! These would be cool in cotton for the Spectacular Summer Solvang Tour.
